## *Giving Opportunities*

To honor and pay tribute to both living loved ones as well as those who have passed on, the Board of Trustees has established a recognition program for the Library Renovation Campaign. These programs demonstrate that you, your family, your organization, or your business are dedicated to building a better future for the children and families of our community. Every gift to the Renovation Campaign is tax-deductible.

Your contribution to the Dover Public Library will be recognized by plaques affixed to the various rooms, furnishings, and fixtures listed in this Registry and will be appreciated by Library staff, patrons, and the community.

The Library Board of Trustees considers the naming of a room in honor or memory of a living or deceased individual, corporation, foundation or organization to be one of the highest distinctions it can bestow.

This Registry catalogs the commemorative gifts you may bestow upon the Library to help us in our quest for an enhanced Library facility.

Please note, all items pictured in this registry are intended to be examples only. Final selection for furniture and other design details has not yet been completed.

Whether you plan to give \$100 (the lowest amount to be placed on our Donor Wall, pg. 58) or \$50,000 (for the naming of the Technology Center or the Teen Room, pgs. 34 and 22), the Library appreciates your gift and wishes to recognize your generosity and commitment to the community.

Thank you for your support of the Dover Public Library.
