**Director’s Notes**

*By Jim Gill*

“Here is the library, but his study is out of doors.”
- Henry David Thoreau, "Walking"

This summer marks the 11th year for the Annual Community Walking Challenge. Coordinated by OSU Extension-Tuscarawas County, this community event challenges all residents of the Tuscarawas Valley to get off the couch and get moving. The theme for the 2015 walking program is "Just Move!"

I would like to challenge you to stop at any public library in Tuscarawas County and pick up a tracker to log your walking time. Whether you are mowing the lawn, riding bikes, or bailing hay, the Summer Walking Challenge is about getting people active so they can live fuller, healthier, and more productive lives.

Participants that complete at least 30 hours of activity by August 1st will receive a special t-shirt. Those who participate in at least three of the seven "adventure hikes" throughout the county will receive a special walking stick.

The public library exists to nourish and challenge you to grow in mind, body, and soul. As the Chinese proverb says, "A journey of a thousand miles begins with a single step." Get moving this summer and let the library help you take that first step.
